

In the pictures presented you can see the twin conferences I attended on behalf of Asodi early August 2007 with the Canadian teams on HIV/AIDs, HIV and disability, speeches were made and the disabled dramatized on the sufferings of the female disables who find it difficult to marry.

Before that, you can see pictures of the work at the pulpit of PC Teze, pastors house, pastor Princewill and the newborn child, his office and sitting palour.

Next is the picture of a 5 months old HOPE while mother died in the labour room at Andek Ngie after delivery and suffered from post partum Haemorrhage. The mother was a single mother who was impregnated by one boy who refused responsibility over the child and claimed that he was not the author of the pregnancy. The family abandoned HOPE for dogs to eat who was picked up by one woman a SAMARITAN who is feeding the child on milk supported by CWF sometimes and now ASODI is taking care and sorting for an orphanage to take the child (Njinikom) where you people visited in 2005.

You then have the pictures of the delivery of 2500 books, pens, pencils, rulers etc. You still have the names of the beneficiary orphans attached, their schools and villages.

In attendance was the provincial Delegate of social Affairs North West in Blue gown, the chief of Brigade control of all Associations, Ministry of Social Affairs in a black suit, Divisional delegate of Social Affairs Momo in Multiple African wear. Divisional Chief of Camtel Momo in Jeans and White/black sweater, B.B.C Journalist with microphone pointing on my mouth and ASODI'S Coordinators.

I told the orphans the support St. Johns are giving in School materials Uniforms, School fees birth certificates, trainings in Tailoring, scholar ships in secondary schools to over 40 Orphans, Goat rearing to over 15 orphans and a lot more.

On his part, the provincial Delegate of Social Affairs Mr. Asanji Wesly thanked St. John's and ASODI for not relenting their efforts in assisting the orphans all these while. He promised his support and letter of recommendations to any institution of ASODI may need some financial assistance within and without the country. He went further to say that ASODI is doing a lot as he came down with his team leaving aside all other commitments to be part of it this year. Prayers were made, songs sang and praises were given to St. John's God almighty and ASODI to move on and that God should bless us all.

The same exercises took place at Andek and the provincial team were served food, drinks both at Teze and Andek.

Despite the rain, and difficulties, all went well. Many , many thanks to the St. John's for making 800,000 frs available, on time to prepare the orphans for school 2007/2008 academic year in Ngie, it was all Smiles and Joy on the faces of the orphans, they are praying for you and me.

May God's name be praised.
